Accounting (9210)

Associate of Applied Business Degree

Accounting is vital to successful business operations. Accounting graduates can look forward to an exciting and rewarding career in a variety of business settings.

Lakeland's Accounting program recognizes the growing importance of the use of technology. Through the use of accounting-related software, this program provides students with the computer knowledge and skills needed for success in the accounting field.

Certificates are also available.

Note: Students planning to transfer to a four-year college are encouraged to take ENGL 1120 English Composition II in addition to the following requirements.
