

Cybersecurity Concentration (9247)

Associate of Applied Business Degree

The Cybersecurity Concentration focuses on designing, implementing and maintaining defensive and offensive strategies in the cybersecurity area of knowledge. Founded on Lakeland's extensive history in networking, infrastructure security, information technology and computer science, instruction included in the emphasis helps prepare students and professionals for several industry certifications such as CompTIA, Cisco, and RedHat. In addition to employment opportunities, students have the option to continue their education beyond the two-year associate degree program by enrolling in four-year bachelor's degree programs at local universities.
