Programs of Study and Service

Lakeland offers numerous programs to fulfill its mission. Transfer programs allow students to take the first two years of a traditional four-year college or university curriculum on campus. Technical programs prepare students for employment at the paraprofessional level. Continuing Education programs meet the needs of individuals interested in additional learning through professional development and personal enrichment courses.

The Campus

Lakeland's campus sits on 400 acres of rolling, wooded countryside in Kirtland, Ohio, about 25 minutes outside of Cleveland. The main entrance is located on State Route 306 near the intersection of Interstate 90. Short-term visitor parking is available near the primary faculty-staff parking lot. All students and visitors may park in any of the large parking lots surrounding the buildings.

The Holden Partnership Program gives students convenient access to complete a bachelor's or graduate degree from a variety of leading colleges and universities. Graduates will receive their degrees from the institution of their degree program. The degree is the same as having completed a degree on the university's main campus. The Holden Partnership Program, combined with Lakeland coursework, offers an affordable and convenient way to earn a bachelor's or graduate degree.

In addition to being a place for learning, Lakeland serves as a center for a variety of other community activities. Seminars for small business owners, arts and crafts shows, lectures, sports leagues and clubs, music festivals, and art exhibitions are a few examples of the wide reach that the college has in the community.

As a community college, Lakeland offers something for everyone. Students and visitors of all ages, cultures and backgrounds from Lake, Geauga, Ashtabula and eastern Cuyahoga counties will find that Lakeland offers opportunities that impact lives.
